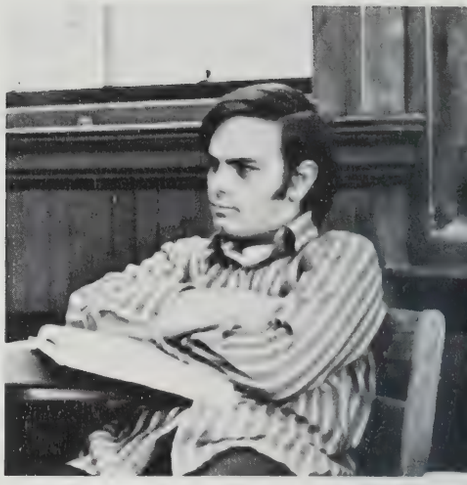
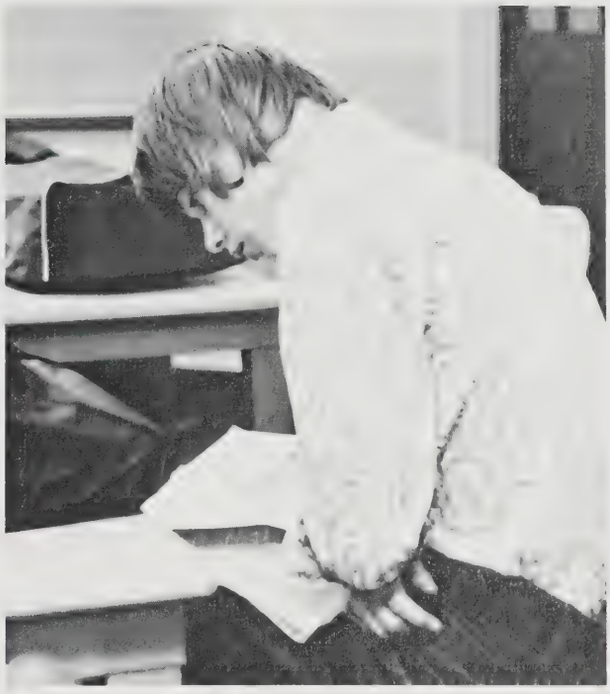
give me one more minute



i'm bored

i heard that

i think so too



type this in two minutes?

huh?

who's macbeth

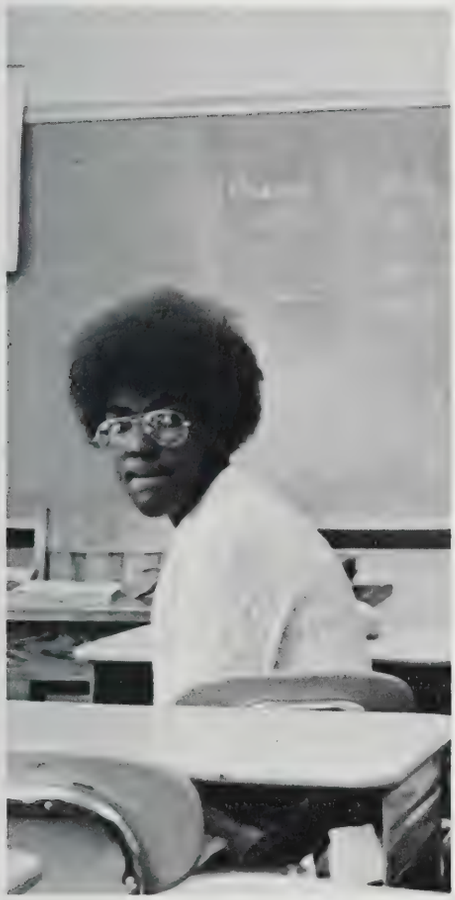
now let me see

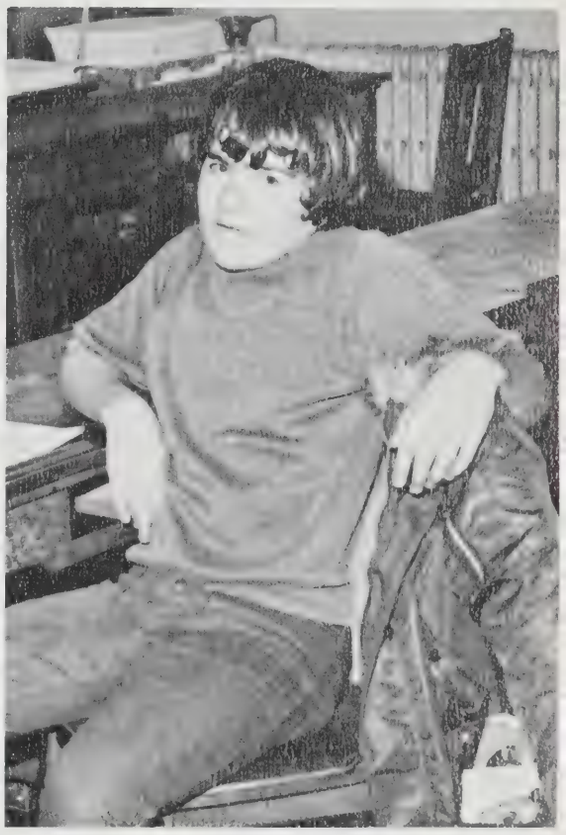
i wish the bell would ring

where can i drop you off

who me?

this is hard





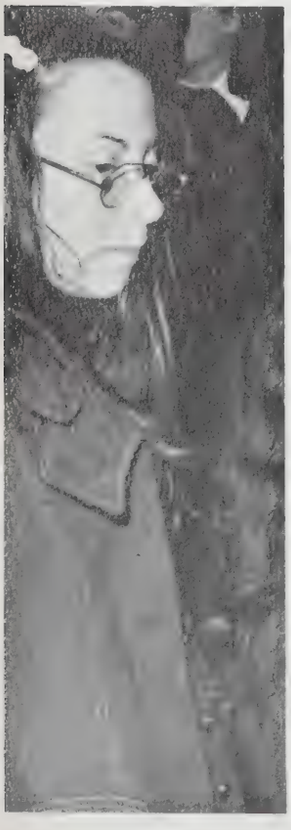
today i'm going to be teacher

i sure like these puzzles

why is everybody staring at me?

i bet you can't do this.

me, copying down the answers.



where did they all go?

i wonder if . . .

the devil made them do it.

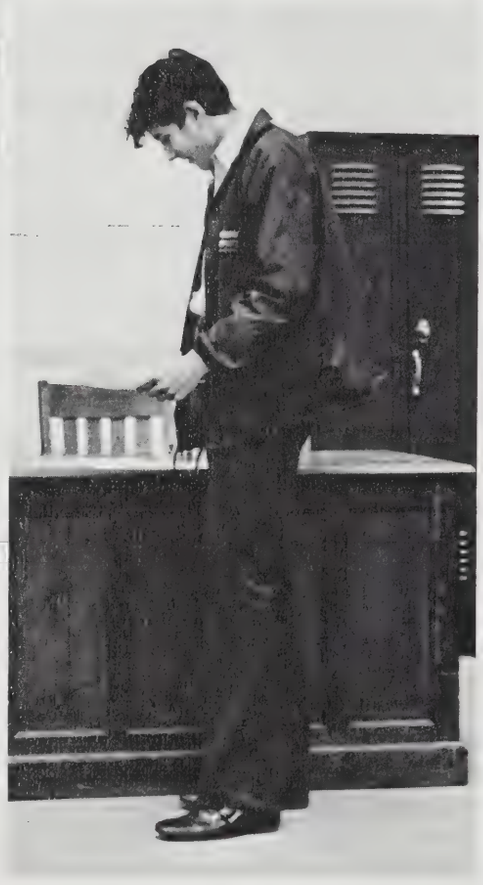
smile

well . . .

is he looking?

i sure am

that's a no-no.



here's the answer sheet.

did you hear about that new girl?

here i am.

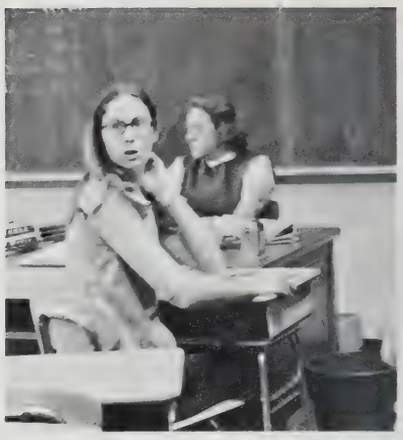
wake me up when it's over.

you should see me as super man.

i can take him any day . . .

. . . but i can only take one at a time.

40 winks



did you see that

i wonder if she's busy tonight.

i wonder if it's fifth period yet.

all set to go to class.

let me show you how.

i pulled another fast one.

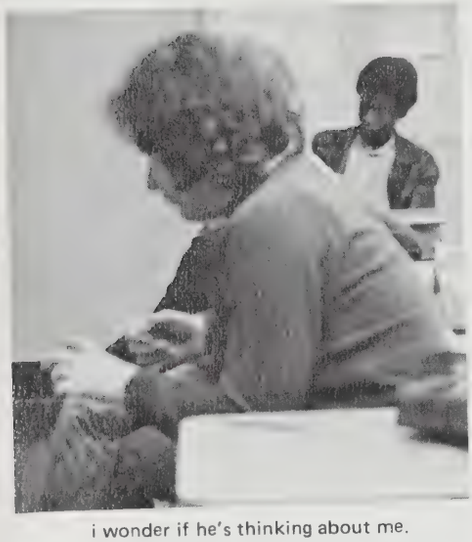
another 100%

late again

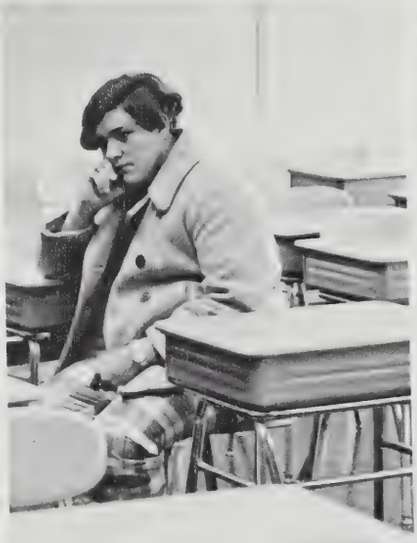
i should have cut this class.

he's making me hungry.

let's get things straight!

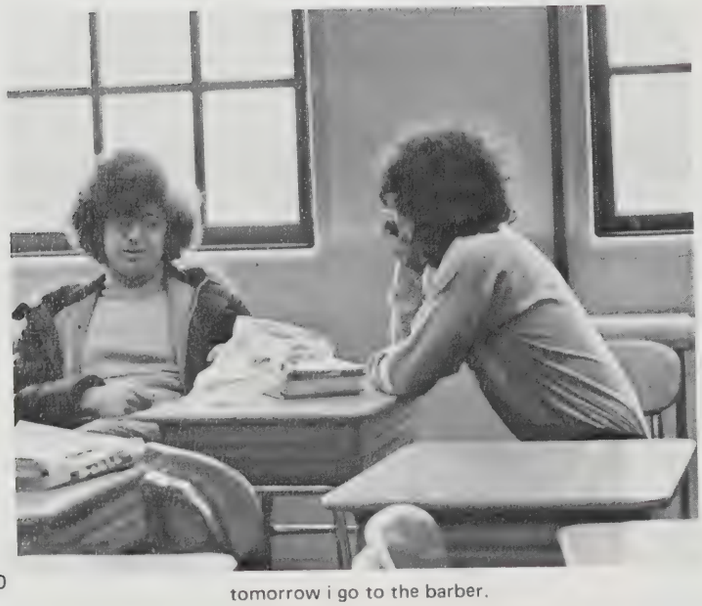


i wonder if he's thinking about me.



i wonder if she's thinking about me.

i wonder if the bread's done yet.



tomorrow i go to the barber.

well, i'll tell you what

what other pictures have you colored, rosemary?

three's a crowd

really????

what do you mean, get out of the locker room.

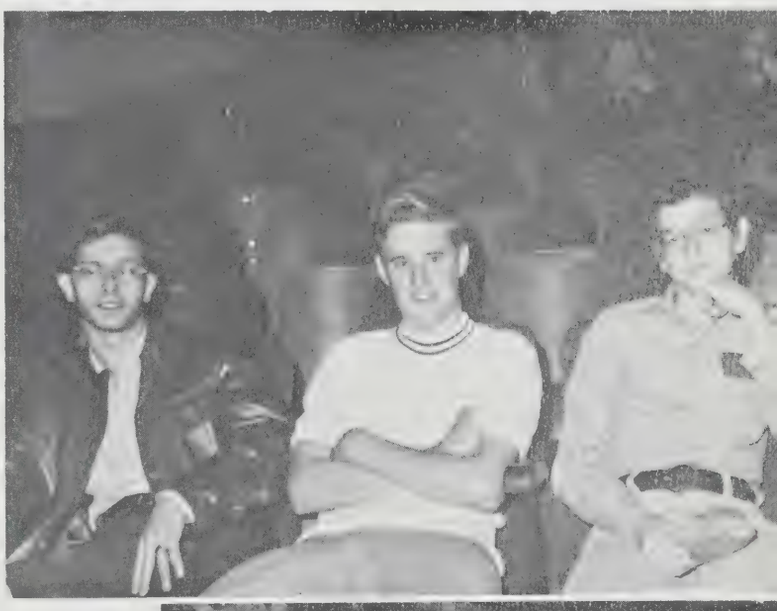
that wasn't funny.

i need some advice.

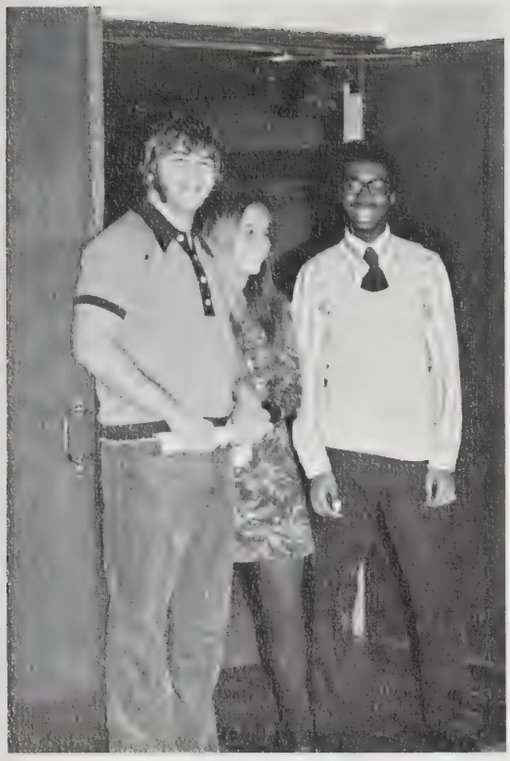
yeah!!!!

did you hear the one about . . .

the suspense is killing me.



i'm not even supposed to be here.



mod squad

it says here that . . .

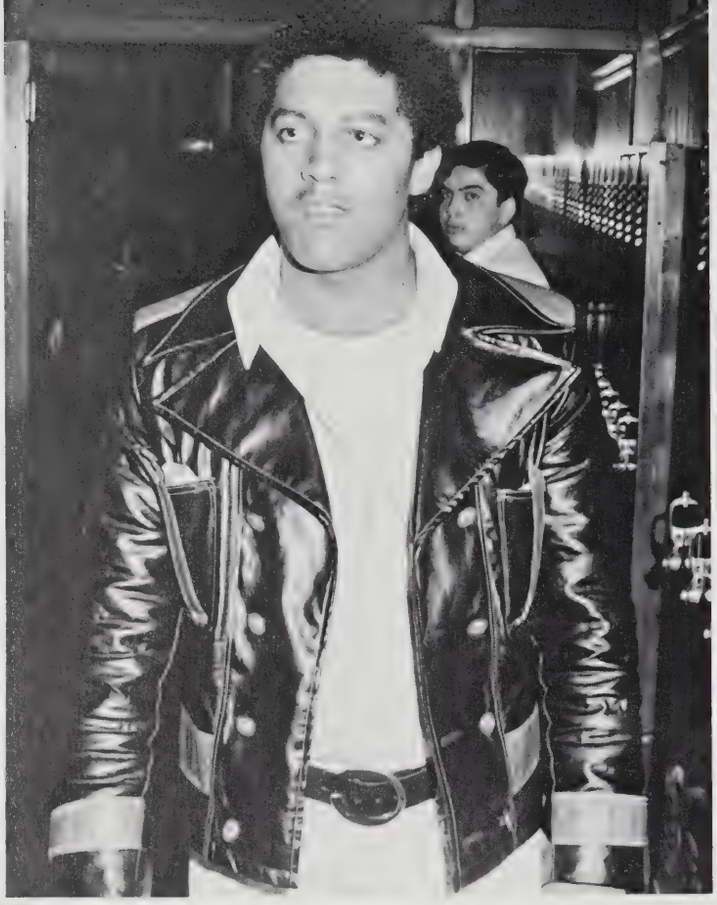
here's all the homework you've missed.

happy winners

i came all the way down here for this!!

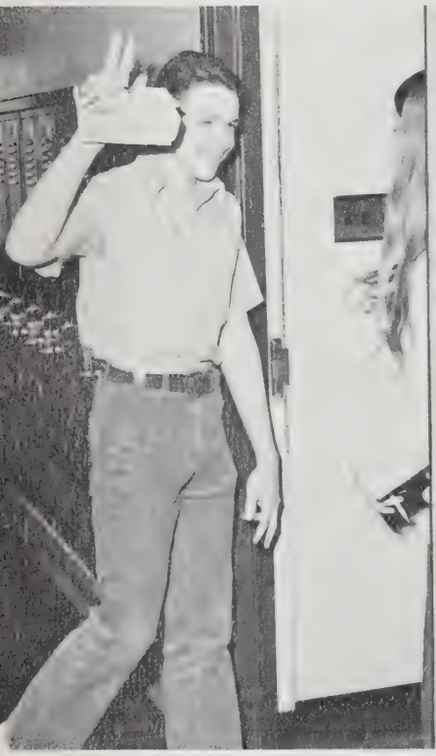
let's not let them back in.

i wonder if . . .



caught ya

i lost my sousaphone



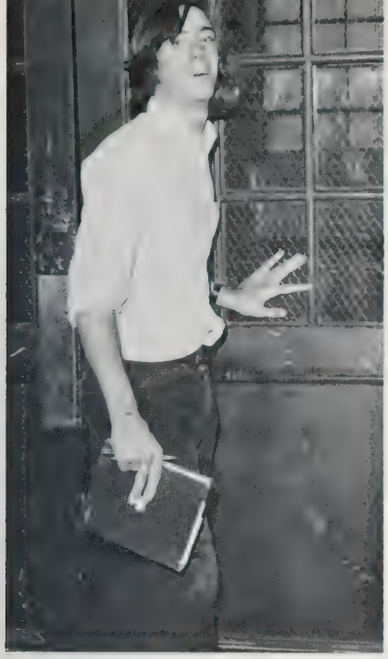
on my honor to do my best . . .

he's looking my way again

i can't stop looking at her

i feel small

not another picture



bye miss curry!

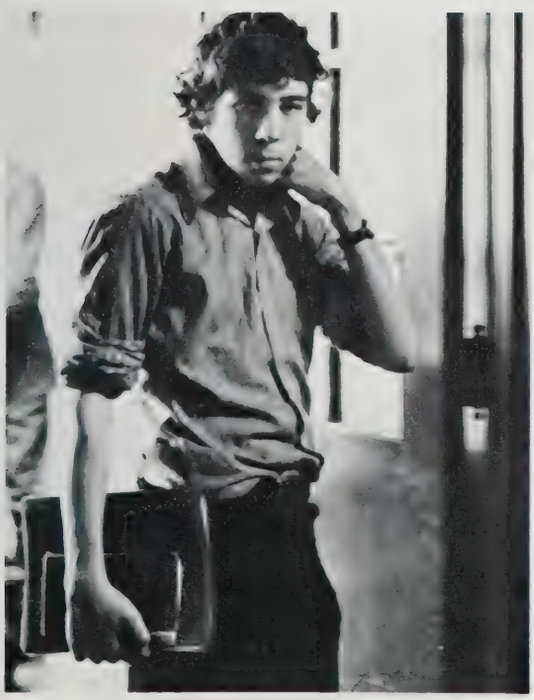
what happened to the rest of them?

i'm practicing to be an actor.

i missed the picture.

keep smiling

cookie monster

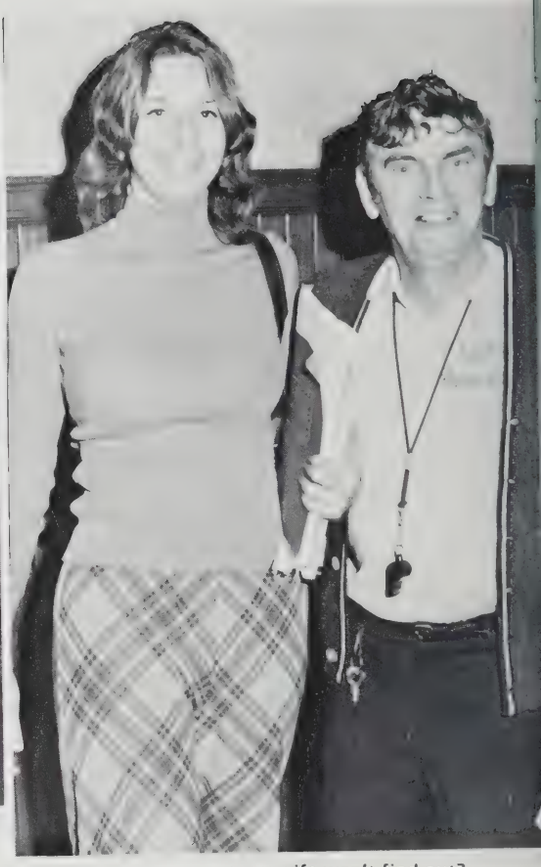


quitting time

i thought i knew the answer.

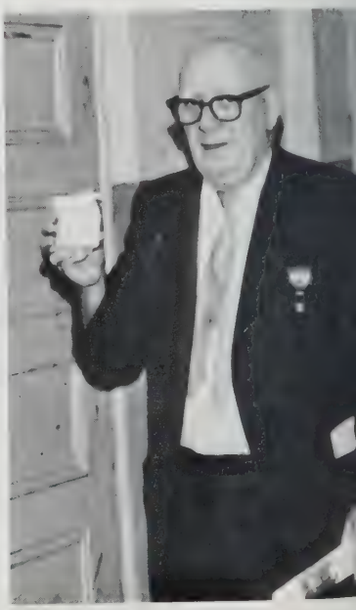
i'm so tired of being alone.

one of my best teachers



are you sure my wife won't find out?

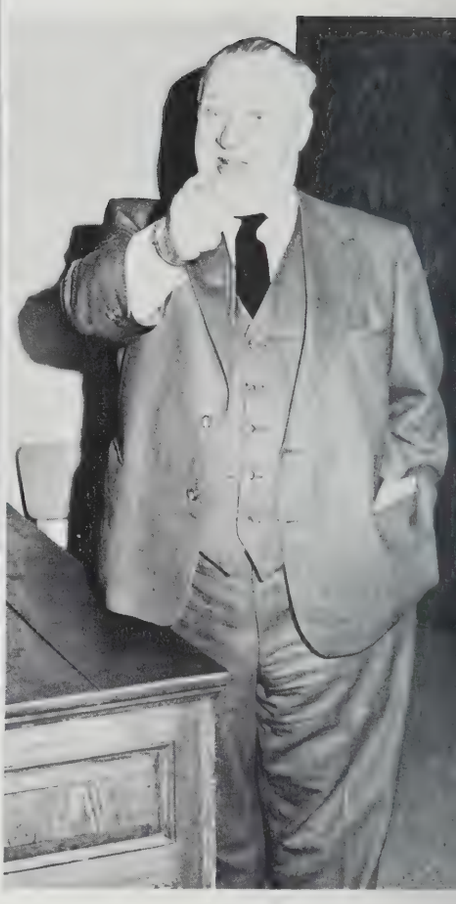
i wish he'd stay where he belongs.



i'll drink to that

this is a big job.

gee, that was a small office.



stay out of my office.

what's holding the bell?

i think it's time they took the tree down.

is my credit any good?

it's a deal then, five pounds of chocolates.

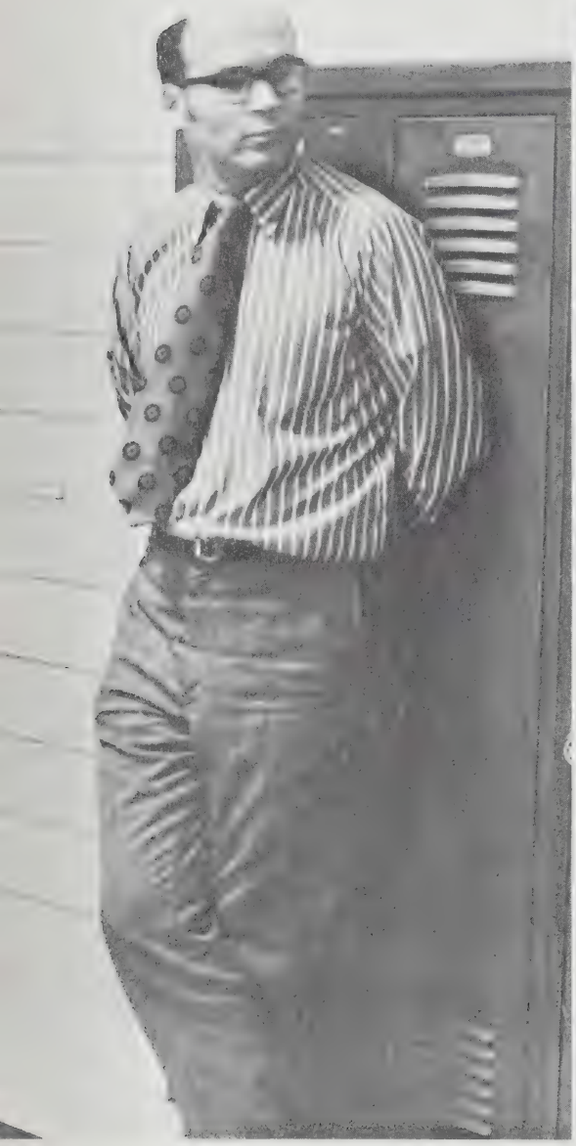
i don't care if you are on the swim team, the mark stays.

this is a better excuse than last time.

now, let's get it straight — coffee, no sugar, and a ham on rye.

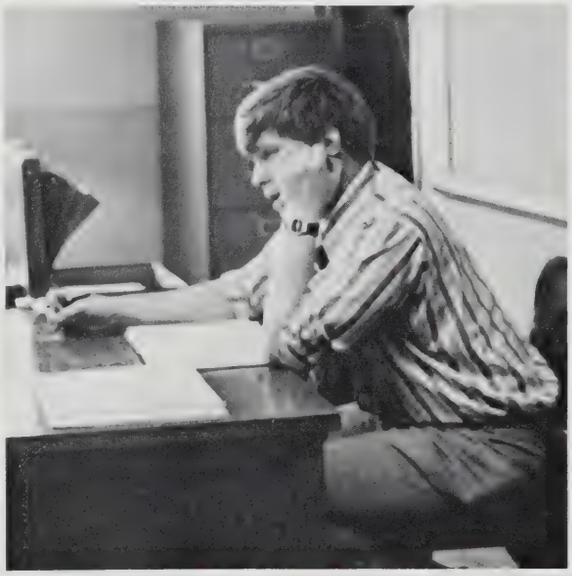
mr. d'arcy, you're just going to have to stop casing the girls.

i don't want to hear it.



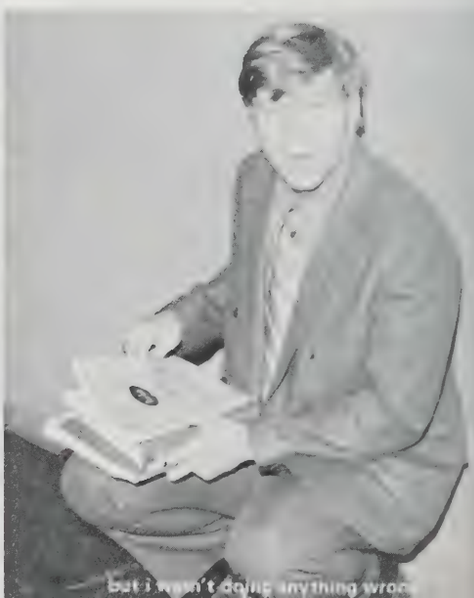
girl watching

are you sure mr. brady will like this?

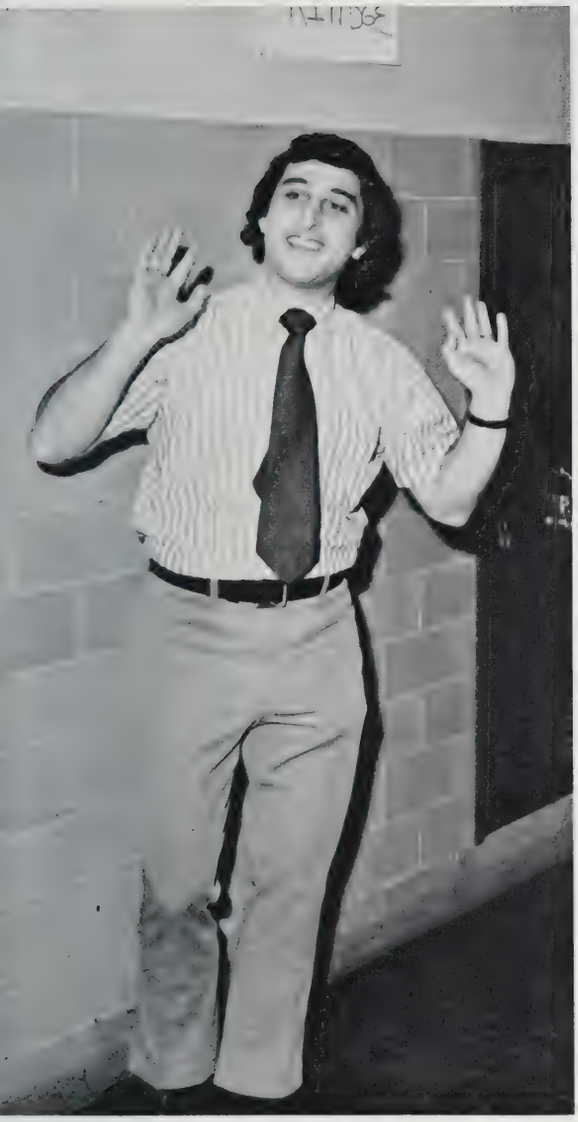


i'm bored

hard at work



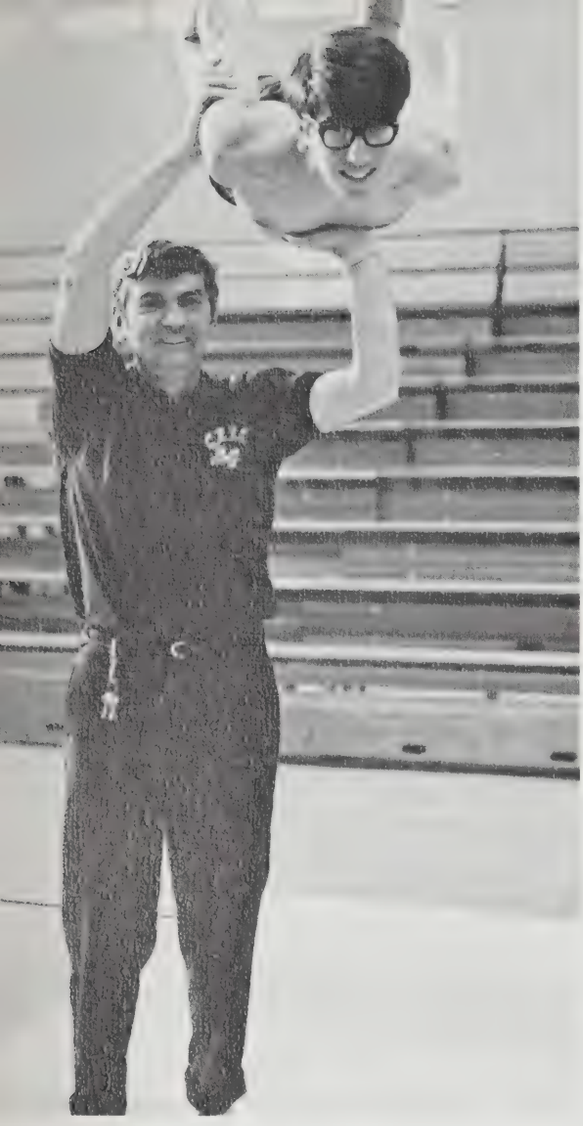
but i wasn't doing anything wrong



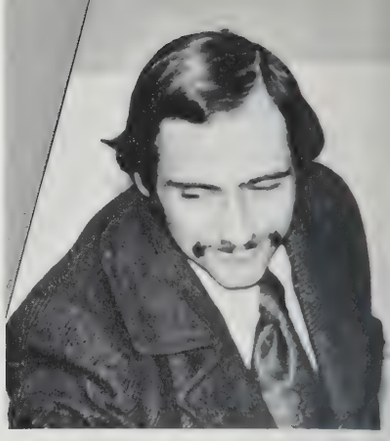
this is my best pose.

i'll never tell.

how do you like my new suit?



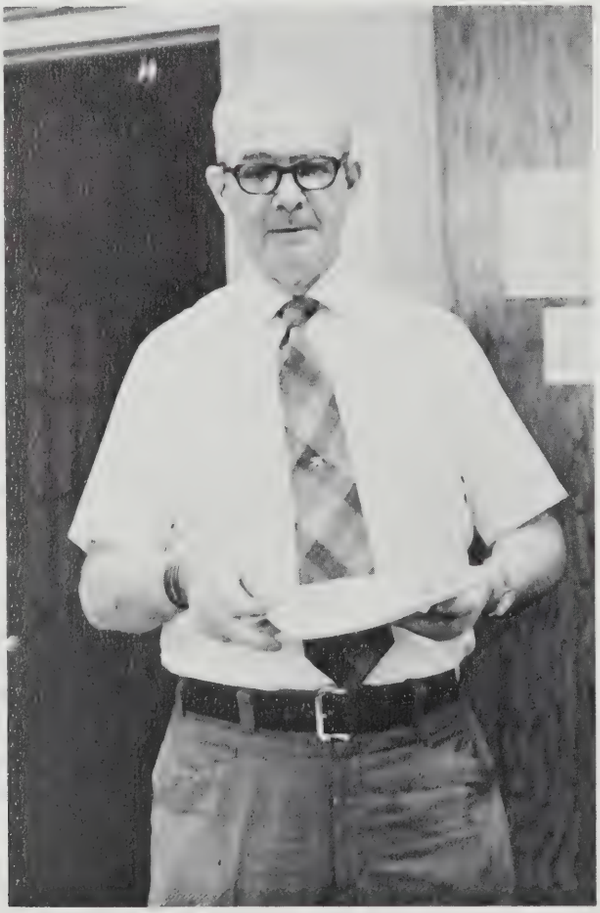
this is what forty years of milk can do.



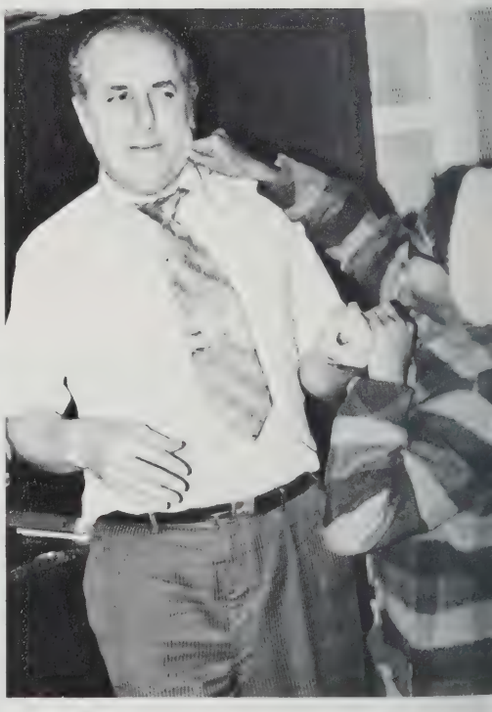
so, you need a film.

well gee, i don't know.

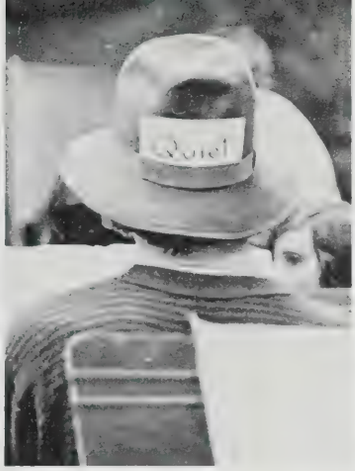
here i come, ready or not.

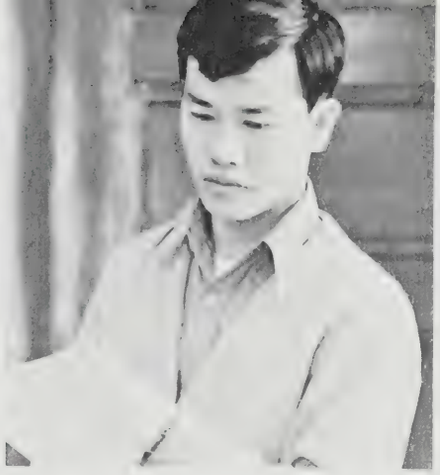


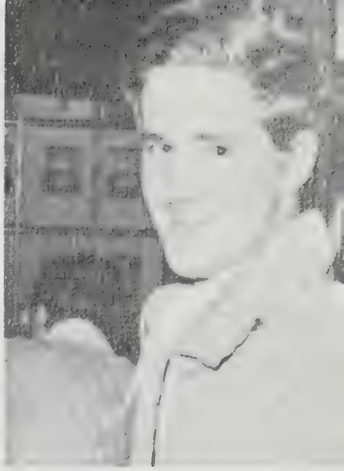
today we're having a quiz.



you're so cute!!!







benched

working on the yearbook.

maybe the answer is . . .?

this is my uncle.

wait a minute class, i'll be right back.

b.a.a.

please let me join.

how would you like to write for the forum.

today i'll show you.

better get a couple of doughnuts, too.

who lost his book?

alright i'll go to class.

i wish you'd stop following me!

we can beat them easily.

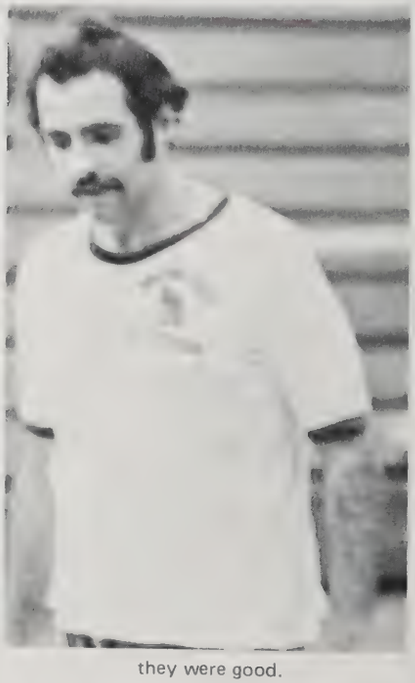
no one can overpower the forces of goodness and kindness!

try to take it away.

is his mouth open? we'll make him eat it?

the victors

want to play another game.



they were good.

girl's basketball

the 1972-73 girl's basketball team proved to be quite impressive this season. it was in this year that the girls had it all together. all their fundamental basketball talents matured into an absolute effectiveness and every team that played them realized this. the girls put out one-hundred plus percent in the effort to be "the team" to beat. they were the first to defeat the five-year undefeated arlington girl's basketball team. the c.h.l.s. girl cantabs had the winning attitude, the drive, and the talent to work with. had these assets matured more they most likely would have been the number one team in the suburban league.

the varsity record was 5—5, and the junior varsity record was also 5—5. these losses were all a matter of a few points. needless to say, these games were played hard and if one had watched them play, one could not help but be super-impressed because of the effort they had put forth. if any form of tribute or notoriety was ever deserved, the 72-73 girl cantabs deserved it.

the senior girls that gave the 1972-73 team its chance to be number one in the suburban league are:

mary banner — member of the varsity team. mary played forward and was quite impressive on defense.

cheryll bennett — member of the junior varsity team. had cheryll tried out for the team in previous years, she would have been on varsity. cheryll played guard and played it very effectively.

kathy conrad — varsity captain. kathy played guard and did a darn good job at it. she was justifiably considered one of the best rebounders c.h.l.s. ever had.

pam jones — member of the varsity team. pam also played guard and was quite good under the boards. pam's height and rebounding skills made her an asset to the team.

dana martins — member of the varsity team. dana played guard and she played it well and effectively.

laverne mosely — a varsity member. laverne played center and like most centers she was flexible and could play any position.

carla outerbridge — a varsity member. carla also played center. her height proved to be very effective on the jump, and her aggressiveness made her an asset to the team.

a well deserved thanks must be extended to the coaches: linda diberto, miss richardson and miss gaston, for their guidance and support.

laverne mosely

football

after a week of hard training at curry college, the cantabs came home to take on a murderous schedule. led by co-captains george brazil and jim o'connell, the cantabs shutout three opponents, falling one short of the school record. having posted a 2—5—1 record, the victories were against boston english, 6—0, and don bosco, 8—0. the cantabs third shutout was against a heavily favored waymouth south team, which ended in a scoreless tie.

the defense unit deserves a lot of credit. this unit included:

co-captain george brazil — safety
co-captain jim o'connell — tackle
coleman macdonough — linebacker
chuck trask — guard
don ferguson — end
bill jackson — end
mark wallace — tackle
mark cohen — center
pini — halfback
sherwin wilson — fullback
fred bass — halfback
don ferguson — tight end
frank vitagliano — guard

seniors who were on the offense unit were:
jim kelleher — flanker and split end

other seniors who contributed to the success of the team were:
bill davis, steve kelley, mark o'brien, dave ryan.
jim o'connell

girl's field hockey

along with the other girl's sports, being added this year, for the first time in the history of high and latin, was girl's field hockey. inexperience seemed to be the main problem that plagued this newly formed team. however, persistence payed off allowing both teams to finish with one win, five losses and four ties each. under the coaching of miss roberta brenan, the girls faced their opposition with enthusiasm and hopes of victories, only to be disappointed with losses and ties. two victories came for the teams through hard work and a strong determination to win. senior brenda medeiros scored the winning varsity goal, whereas freshman carol dileo scored the winning j.v. goal. every girl who participated showed signs that next season would be the cantabs turn to come out ahead. although the teams lose five seniors, it is hoped by them that the veterans of the first year will go on to victory in the years to come.

those who participated this year are: seniors — roseann ciccolo, mary jo fresolo, pamela jones, dana martins, brenda medeiros. juniors: audrey cabral, cheryl carceo, ann marie chaves, carolyn deleo, renny santos, and jean vera. sophomores: mary pat chaves, cathy drezak, kathy murphy, camille o'brien, and freshmen: kim bergin, carol dileo, maureen gollard, diane mcaveeney, nancy parker, maureen preston, and ruth vendetti.

boy's basketball

the 1972-1973 cantabs hoop team established themselves as a powerhouse in the suburban league, finishing in a tie for the suburban title with arlington and newton and compiling a record of 12 wins and 4 losses in league play.

the latin hoopsters opened the season with a 75-63 win over brockton, the team favored by many — expects to win the suburban title. the cantabs then won 4 consecutive contests over arlington (66-54), somerville (67-61), waltham (81—53) and weymouth south (78—45).

the month of january brought the first loss to latin as they fell to newton in an afternoon home game (65—54), but the team did not die after losing their first game, as they rebounded to win a big game over city rivals rindge tech 78—76. tom "the bomb" chatten won the game in the last 10 seconds on a lay-up to pull the cantabs into a first place tie with rindge.

a tough weymouth north team defeated latin 68—60 for their second loss of the season, but the spirited, loyal fans boarded buses to brockton to cheer the cantabs to their eighth win. pat ryan's shooting from the foul line in the closing minute of play killed all chances of brockton making the tech tourney as they suffered their seventh loss of the season (73—70).

arlington gained first place in the suburban league with a 60—56 win over the cantabs, but latin came back from the loss to win five straight games before succumbing to somerville 72—66. the cantabs' victims were: waltham (75—61), weymouth south (89—64), newton (78—67), weymouth north (79—62), and brookline (66—60), the game which gave the cantabs a berth in the tech tourney.

the big rematch between latin and rindge came on february 16, but this time the warriors won it 60—56. some costly turnovers in the last minutes of play caused them the loss. at this game tom chatten won, for his third consecutive year, the foul shot trophy.

basketball cont'd

a much favored catholic memorial team met the cantabs on february 20, and the result was in favor of latin 75–71. fine playing by tom chatten, ron eutsey, and jimmy tingle led the cantabs to their fourteenth win. the next night latin rolled over don bosco in their last game of the season 75–60, for an overall season of fifteen wins and five losses.

pat ryan was voted mvp of the suburban league and shared first team honors at the all-star game with tom chatten. richie giacoppo and ron eutsey, two up and coming juniors were voted honorable mentions in the all-star game.

this fantastic team included: seniors; captain tom chatten – center, pat ryan – forward, jimmy tingle – guard, dan metivier – guard, bill jackson – center, mike vitagliano – guard, leonard poore – forward, and juniors; ron eutsey – forward, richie giacoppo – guard, peter mahoney – forward, and john vetter – forward.

tom o'brien

soccer

latin's soccer team, after a 3–5 start, finished the season with a record of 8–8–2. their first game after the victory over brockton was with undefeated league-leader b.c. high. latin surprised the eagles with two quick first period goals, then gave their opponents a sound lesson in defensive soccer to come away with an astounding 2–1 upset. the whole team played well in the biggest victory in years.

rugged medford was the next opponent and cambridge proved their success to be no fluke as they battled to a 0–0 tie with the tournament bound mustangs victory. victor pena and amadu sesay were constant threats and the entire defense played well.

in the ensuing two games against newton and somerville, latin could not get untracked and lost by scores of 3–0 and 2–1 respectively. the cantabs played evenly with a strong newton club for the first half, but a disputed call on a disallowed goal was the crusher. in the somerville game, cambridge had trouble on a wet field and was down in their own end most of the game. their lone goal was by sesay and costa.

cambridge came back from these two defeats to top archrival rindge, 3–0, in a lackluster, penalty-filled game in which victor pena potted three scores.

arlington, the next foe, was beaten 2–0 as cambridge played one of their best games of the year. the halfbacks totally dominated midfield and arlington was limited to few shots on goal. pena and sesay continued their scoring with a goal each.

the next game against waltham saw latin escape with a disappointing 2–2 tie. although cambridge did not play well against the league cellar dwellers there were a few bright spots. senior mike crane played well and sesay scored on a tremendous 25 yard chip shot into the top corner. forward jimmy papagionopoulos also lit the lamp with a beautiful head shot.

cambridge returned home for two games with brockton and b.c. high. the brockton affair was an unexciting battle as latin came out with an easy 2–0 victory. amadu added to his scoring total with two goals, as latin's powerful front line toyed with the inexperienced brockton defense. the next game was a different story, however, as a revenge-minded b.c. high club trounced latin 4–1. the only bright spot redundant for cambridge was christos litopoulos' shot into the topcorner that kept latin in the game for awhile.

with a 7–8–2 record cambridge needed a win over brookline to attain a .500 record for the season. in a great clutch performance the cantabs scored twice in the first period and held on for a 2–1 victory. jimmy papagionopoulos scored the most incredible goal seen in these parts for many years. amadu dribbled into the middle of the field and blasted out into the net from some 30-35 yards out! this amazing "field goal" was the winner and enabled cambridge to record its best mark in several years.

soccer cont'd

credit for this success must go not only to the players but also the coaches, mr. foley and mr. inglis (who coached the jv's to a 5–5 record). seniors who contributed to the team's outstanding record included captain, darryl donegan, michael crane, ronny perry, amadu sesay, and paul miele.

indoor track

the excitement on the bus was spectacular. we had won our first meet. a lot of hard work had paid off and we had beaten the outdoor champions, weymouth north, 45–41. this was going to be the year. track was back at cambridge latin. the flu forced many to abstain from practice and competing as we lost our second meet to waltham 52–34. the third meet we dropped to league champions, weymouth south 63–23. for some reason that loss seemed to change the great optimism we had had earlier in the season. our next meet was against a pitiful roslindale team as we embarrassed them 72–14. this victory temporarily rebounded the team, as we fought a powerful newton team, only to lose in the relay 45–41. we then met a surprising rindge tech team which was not to be denied as they won 52–36. we then came back in the true latin style as we beat both boston english and charlestown in a boston city league meet 72–36–16 respectively. we closed the season with losses to brookline 50–36, arlington 44½–41½, and brocton 54–32.

although we may not have been very successful, there were many exceptional performances. steve kelly totaled an unequaled 105 points as it became common for him to win both the hurdles and the high jump. dave ryan picked up the second most points on the team with 41, as he was more than a pleasant surprise as a top miler. mark cohen greatly improved in the shot-put, giving us unexpected strength. captain tony pini and amadu sesay both were strong in the dash. other seniors competing were captain manuel headly, steve kervick, jim kelleher, ralph centanni, mark o'brien, and chris hall.

the best summarization of our final season is that it should have been the year, but it was not.

girl's swimming

the girl's swim team season came to a very disappointing end this year. the girls swam well but not well enough to beat their tough competition. the first meet, against leominster, was an encouraging one because the team came out victorious 48–46, but the next one against gardner was a disappointing disaster 58–37. after the second meet the girls attitudes changed a great deal. the team lost the next four meets to fitchburg 53–41, belmont 72–23, lexington 81–77 and action-boxboro 75–19. luck came around again, when the team met their arch enemies, lynn and blew them out of the water with a 51–43 victory. lady luck did not hold out for long, for the last two meets were lost to medford and winchester.

the whole team tried their best, and that is all one could have expected. under the coaching of miss julie campbell and the tri-captains kathy conrad, dale delaney and nancy levine the season ended with a 2–7 record.

we, the team would like to thank "taffy" turk for her hard work during the season.

class history

freshman year

on september 9, 1969, members of the "class of 1973" entered the cleveland auditorium. bewildered, we searched for a familiar face in the large crowd. after initiation and orientation, we settled down to the routine of high school life.

athletics played an important part in the daily routine of c.h.l.s. the football team had a fine season ending with a crushing 30–6 win over rindge tech on turkey day. the swimming and basketball teams both went undefeated in league play and both almost won the state championships.

an unusually harsh winter gave us many days off and in march, a series of events began changing c.h.l.s. it began with a strike in mr. d'arcy's office and ended in late april. during that time was racial unrest, a strike against the war, bomb scares, causing frequent trips to rindge tech auditorium, meetings in the gym and the formation of a student union. when we resumed our routine of school life we were relieved that those events were behind us.

sophomore year

our sophomore year began much the same way as our freshman year. the football team had an admirable 6–3 record and again beat rindge tech. the basketball team ended a disappointing season with a win over state champion catholic memorial. a new addition to the games was an excellent squad of junior varsity cheerleaders.

for many, our april vacation was spent in europe on school sponsored trips. the drama club presented "into the woods" and the music department closed out the year with the spring concert.

junior year

the first major event of our junior year was turkey day, and again the cantabs won. as far as activities were concerned a great apathy curtailed most events. the student body for the first time had a non voting representative on the cambridge school committee.

the year ended with the students taking an active political role with the intended firing of superintendent frisoli. this conflict was cut short by our summer vacation, but many knew it would resume when school reopened.

senior year

although the issue involving mr. frisoli was basically resolved by september, it left some students and parents bitter. the new superintendent, mr. cheatham proved to many to be an excellent choice.

our outstanding basketball team advanced to the state championships. the 73 cantabs truly proved that they are number one.

the ski trip proved to be a great success for everyone (except maybe for the chaperones). february 2-4, will always be one of the good times to look back on. we feel safe to assume that our prom and graduation will also be important moments for us to remember.

looking back at our past four years, it may seem we have mentioned mainly the bad occurrences. each of us however, have our own good memories of cambridge latin; the friends we met and the good times we had. in the future when we look back on these four years it will seem as if they flew by all too fast. here we are; high school is over for us. whatever different memories we carry when we leave here, we will always have something in common. we are the class of 73.

epilogue

four "long" years gone by with the speed of a single second. lasting friendships never to be forgotten, never to be broken. impressions of life, awareness and people. a closely tied class inseperable during times of need. fun times, sad times, happy times and just plain ordinary times. closeness with people of all ages, especially your own. involvement in class activities, school activities and moreso "senior" activities. sports; victory, defeat, victory, victory, victory. a school newspaper that tells it like it is because it is like it is. "studentry" that cares enough to work, to get involved and get others involved. music that fills the tastes of beethoven and schopaen to sly and the beatles. teachers that can be regarded as friends and advisors. students of every creed, color, and individualism, that act themselves because they are themselves.

these are my impressions of high school.

these impressions are c.h.l.s.

dedication

through good times, bad times, and times when the welfare of a school and student body has depended upon the guiding powers of a single man, his deep concern, true interest, and never-ending belief in his students have enabled us to pull through all of the crises and problems which have confronted us as high school students. in our activities and projects, we could depend upon his never-failing interest and support, knowing that he would do his best to make our high school experiences worthwhile and memorable. he was always there — making decisions, often accused of making mistakes. yet, the students knew that in every case they could count on him to make that decision, which, he believed in his heart to be the right one. sincerity, integrity, trust, understanding — all of the qualities which characterize him as a man characterized him as headmaster of c.h.l.s.

baseball

this year's varsity baseball team fell victim to hard luck with many of the losses decided in the final innings. despite the undeserving record of seven victories against nine defeats, the team provided tough opposition for all its opponents.

this season the 1973 cantab team was under the very fine leadership of captains george brazil, fred bass, and tony pini. other seniors on the team were scott la valle, james nearhos, and mike vitagliano. captain george brazil was awarded a trophy for being voted most valuable player and for being voted for the sonny foley pitching award. george was also awarded the position of second string pitcher on the suburban league all-star team. tony pini was also elected to the all-star team as a utility man, along with junior steve johnson, center fielder.

the senior class wishes the best of luck to the captains-elect bill sherwood and steve johnson in the 1974 season.

golf

the cambridge high and latin golf team has just completed its best season in the past few years. coached by joe pagliaro, a teacher at the m.e. fitzgerald school, the team played well in the face of strong opposition. highlights of the year were beating rival rindge tech 9-0 two times, and providing tough competition for the league's other teams that until this year were unchallenged by chls.

the team, which played the majority of its matches at home course fresh pond, also played at winchester country club, weston country club, and unicorn golf course. darryl donegan and frankie connelly, the team's only seniors, played well all season and proved to be decisive factors in our two victories over rindge. other members of the team were john kinney, a junior who is expected to lead the team to a winning season next year, brian mc coy, tom pasquerello, dave mc caffrey, don hoban, sophomores who composed the majority of the team, and won many points for us, and our freshmen: steve mc mann and jimmy donahue, who hope to develop their game in order to benefit the team.

although this was a very good season for us, we have high hopes for next year. if the younger members of the team improve, next year will see chls with an unbeatable team.

You're about to take a giant step forward into your future.
We think we can make it the bright one you want it
to be at New England Telephone. With a job that's every
bit as big as your ambition. You see, we need people.
With all kinds of talents. And especially, people who
really want to get going with their future. And want to
be rewarded with automatic raises. If you want
a job and a future that's tailored to your talent...
along with unusually generous fringe benefits, stop
in and see your guidance counselor. Ask when and
where you can apply for an interview with the people
who want to make your future as happy as you want
it to be.
